which said company (the word company being understood throughout the contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier of all or any part of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any part of said property, that every service to be performed hereunder shall be subject to all the conditions not prohibited by law, whether printed or written, herein contained, including the conditions on the back hereof, which are hereby agreed to by the shipper and accepted for himself and his assigns. In cases where contracts exist with the carrier moving the shipment the rules of the contract apply. In cases where a carrier is moving a shipment without a contract the rules of the current National Motor Freight Classification Tariff will apply.
